Hi,

At your convenience, could you email or fax over a copy of the motion?

You currently have a copy of the chemist notions: it is on the forms label Drug Powder Sheet for each lab #.

As for the written protocols, I will contact my supervisor and see how to proceed. But we follow the recommendations of the SWGDRUG.

Thanks.

Hello Annie

The defense motion requests the following:

"All notes and reports of chemist; statement of protocol and procedure used by chemist to weigh and analyze drug."

So what is missing are the written protocols and any notes of the chemists.

Thank you
Elizabeth

Please call me Annie.

What else is d/c looking for? Are there specific items he/she is looking for?

This is our standard discovery packet according to the policies of the DPH Drug Lab. I am not sure if he/she is comparing us to Mass State Police.

Feel free to call me.

Ms. Khan;
Defense counsel filed a motion with the court that alleges the attached records are not the complete files. Are you able to certify that the records are true and accurate copies of the case files?
Thank you
Elizabeth Keeley
